AF/21

AF/21 is the result of an exploration into the simplification of forms. The design is reduced almost to a pure icon, where the aesthetic quality of materials is emphasized. The faucets and shower system become discs and cylinders; the taps reminiscent of the forms found on the controls of a stereo.

AF/21 – [Stainless Steel] Brushed

AF/21 - [Brass] Matte Gun Metal PVD, Matte British Gold PVD, Copper PVD

AF/21 - [Brass] Chrome

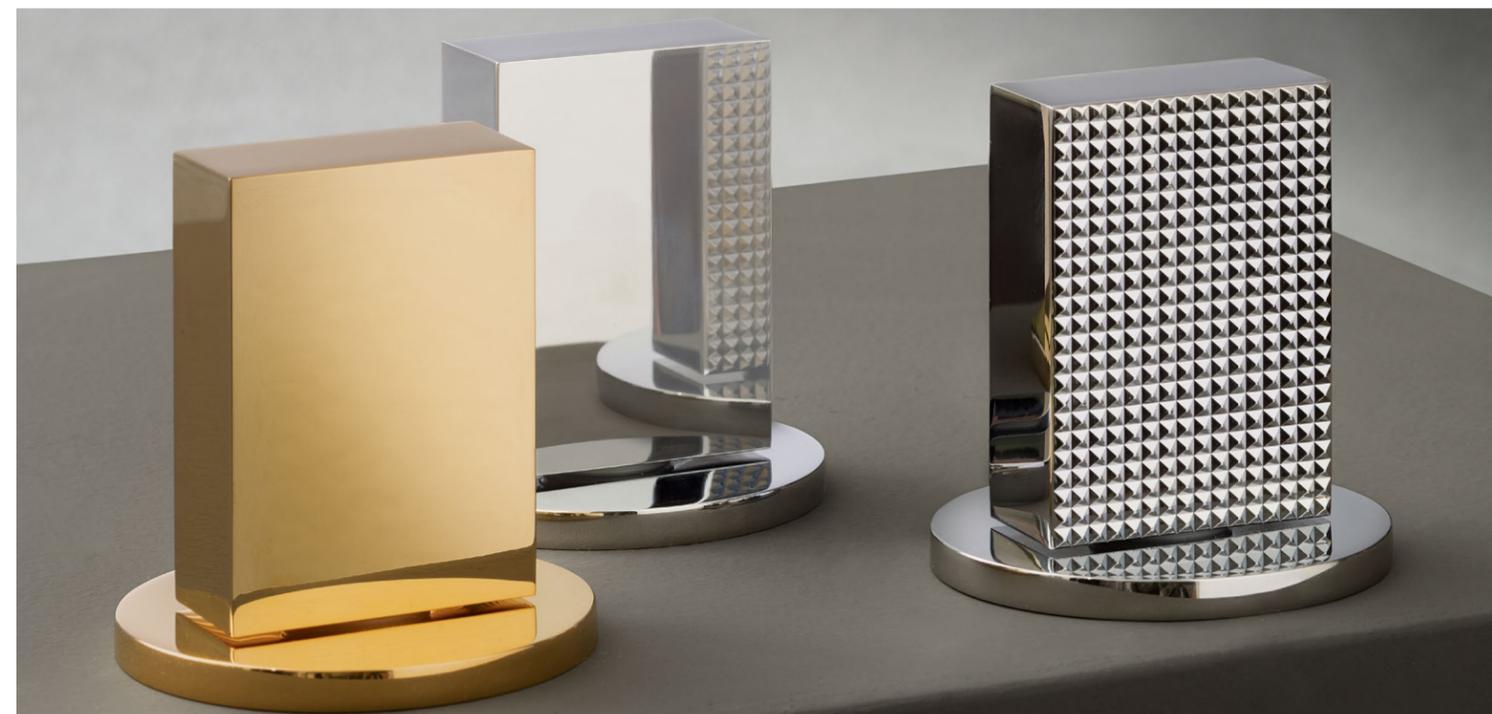

AF/21 - [Stainless Steel/Marble] Brushed, Black

VENEZIA

Style, tradition, elegance, refinement, luxury and high-end glass craftsmanship: these are the characteristics of the sophisticated Venezia handles. Available in three versions: metal, colored Murano glass and transparent crystal.

Venezia - [Brass] Chrome with White Murano Glass

Venezia - [Murano Glass/Brass] Filigree, Bicolour, Gold Plus/Chrome/Chrome Texture

ICONA CLASSIC

A contemporary re-interpretation of the classic tap icon that plays subtly and elegantly with proportions. Functionality, durability and comfort are at the forefront of this design – an aesthetic quality that follows neither trends nor fashion.

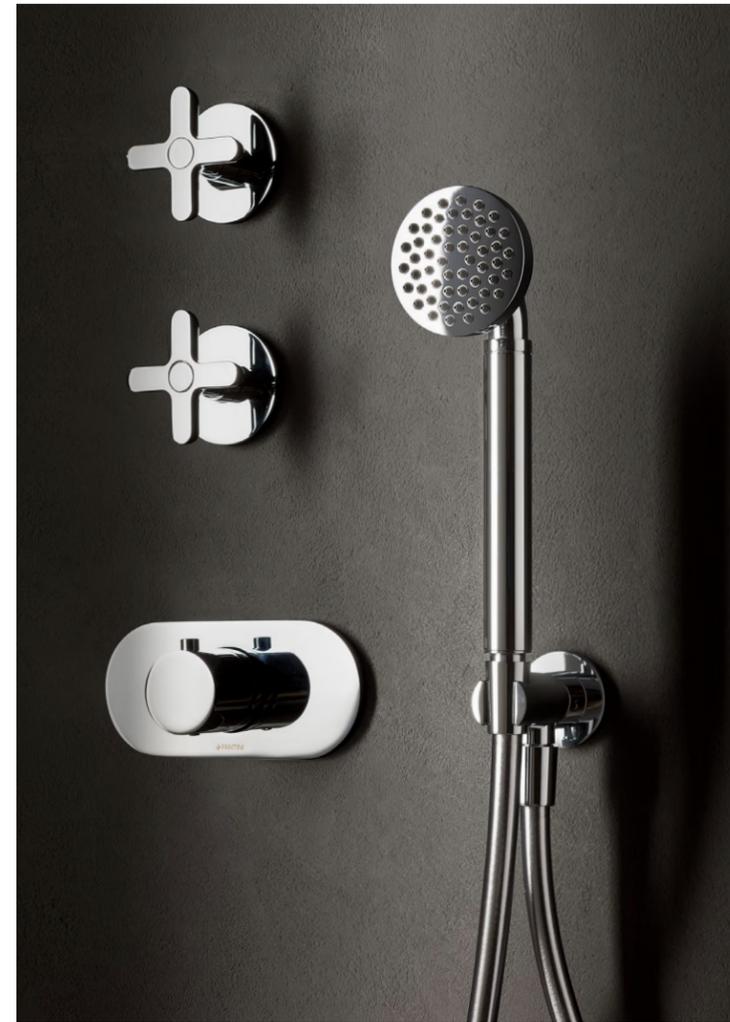

Venezia – [Brass] Chrome with Black Lever

Icona Classic – [Brass] Polished Nickel PVD

Icona Classic - [Brass] Polished Nickel PVD, Matte Copper PVD, Matte British Gold PVD, Deep Black PVD

Icona Classic - [Brass] Chrome

Icona Classic - [Brass] Matte Black

SAILING

The shape of Sailing clearly refers to the world of water through the poetic reinterpretation of the clear lines and volumes of bollards, the most common form of boat cleats, which are essential and useful elements for securing boats by rope.

Sailing - [Brass] Deep Black PVD

Sailing - [Brass] Deep Black PVD

VOLA

Every Vola product is based on a modern modular design system, creating infinite possibilities that are customizable for any individual's needs. Vola has always hidden the functional parts, allowing the simplicity and beauty of the pieces to shine through. Unchanged for 50 years, the Vola design stays true to its original principles of pure form and geometry combined with innovative function.

Forme Oriel - [Brass] City Bronze

Forme Classic - [Brass] City Bronze

ONE HUNDRED COLLECTION

A classic British design inspired by the luxuries of England ~ a good tailored suit, the clean lines of an Aston Martin and the details found within a Bentley. The One Hundred Collection is crafted in premium brass and features the ability to customize control elements to suit any interior space. Luxe or Wing lever options exhibit a timeless purity of form, while up to 11 interchangeable roundel finish combinations allow for the expression of individual style. Final touches of meticulously knurled escutcheon detail and clear or gloss black crystal inserts look to spark curiosity and delight the senses.

LMK

Pure & Industrial

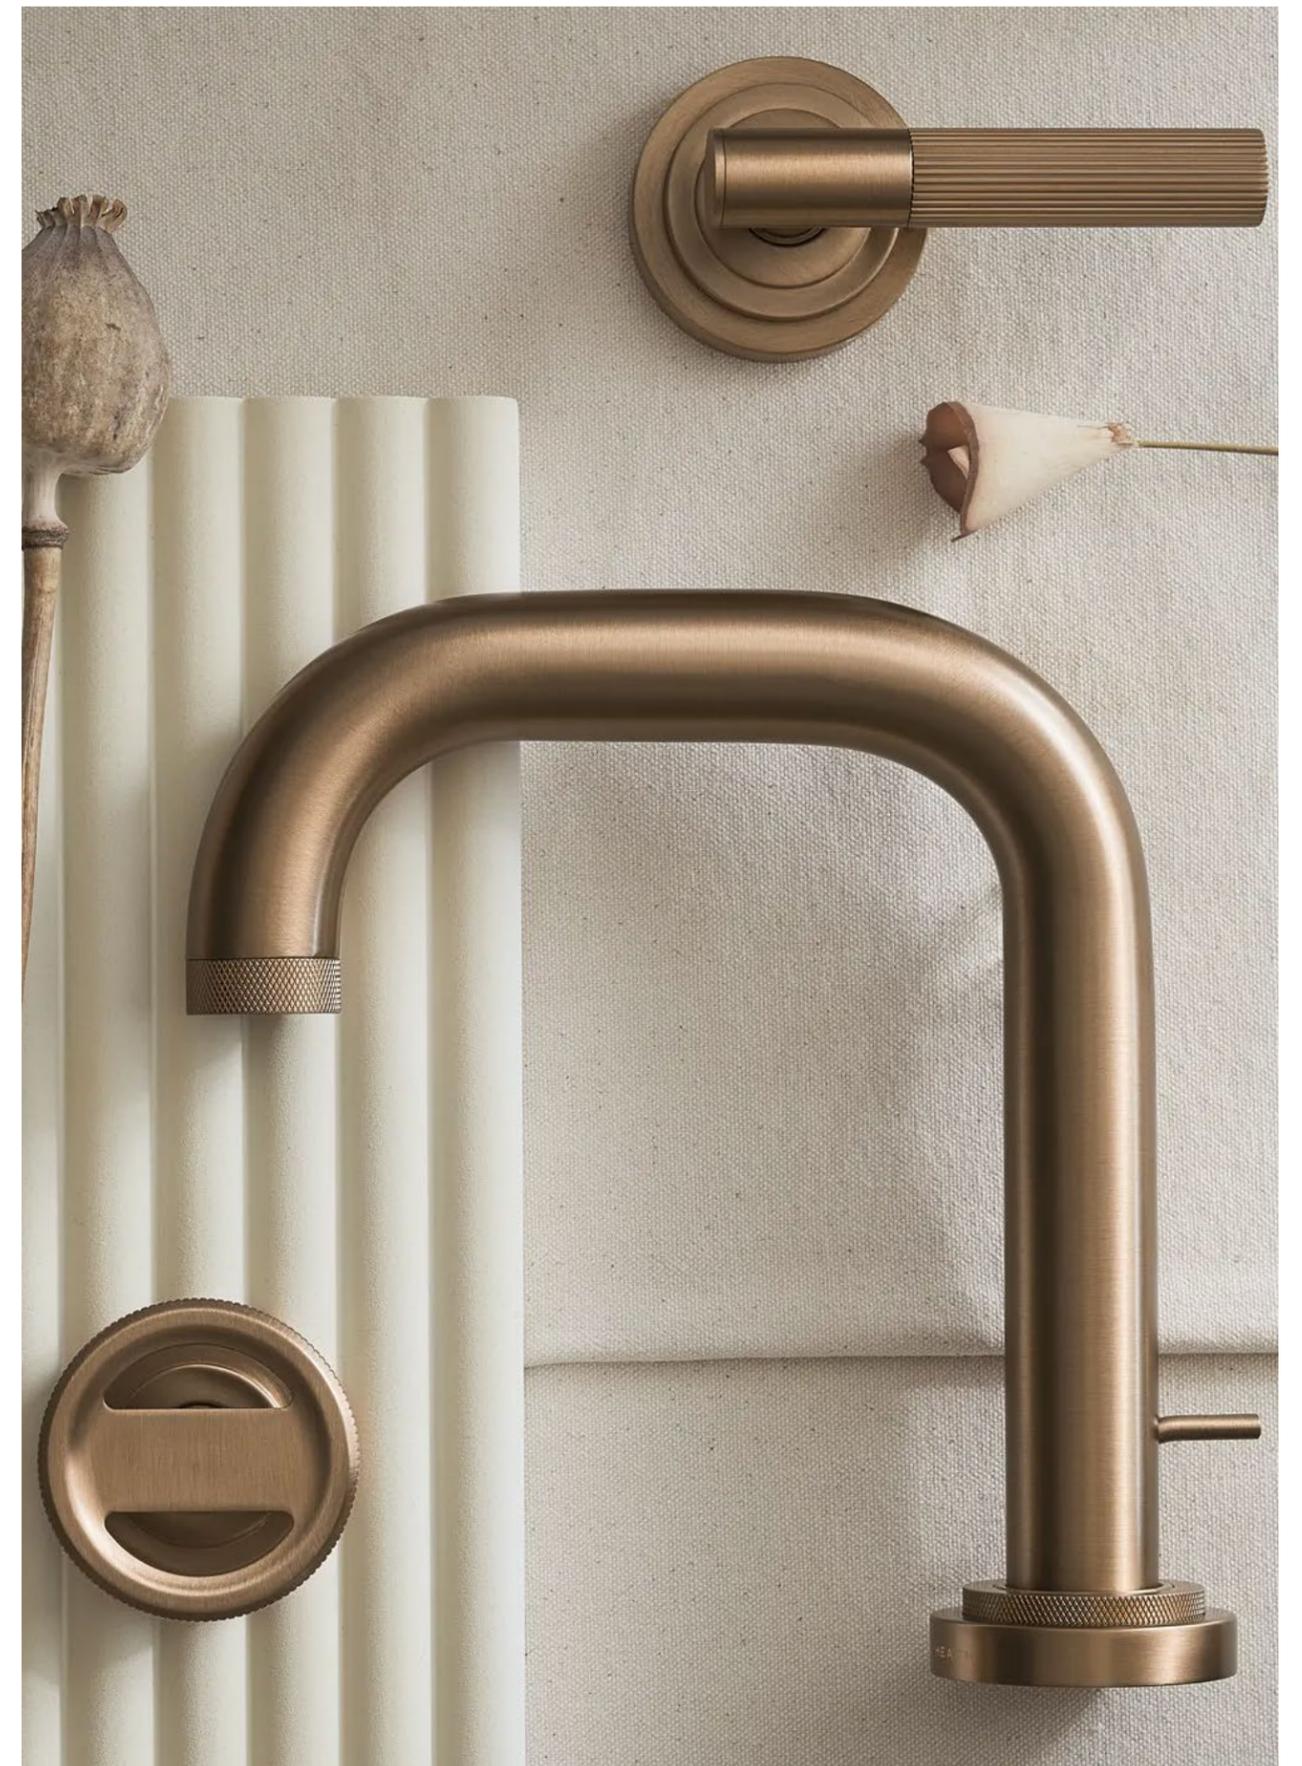

Contemporary designs that are rooted in the Bauhaus movement. The LMK Collection utilizes a design language that evokes the ethos of the period in an authentic manner, without being a direct reproduction. Perfect function and beautiful form – achieved by the use of the finest materials and a selection of finishes.

LMK Pure – [Brass] Polished Nickel

LMK Industrial - [Brass] Stainless Steel/Matte Black Chrome/Urban Brass/Chrome Plate

LMK Pure - [Brass] Antique Brass Matte

STYLE MODERNE

Inspired by the monochromatic, geometry and glamour of the Art Deco Movement of the 20th century, Style Moderne can elevate any interior. This collection includes striking black chrome lever & cross top controls which retain the defined lines that are faithful to the period, while the option of hand cut glass levers pay homage to architectural styles of the movement.

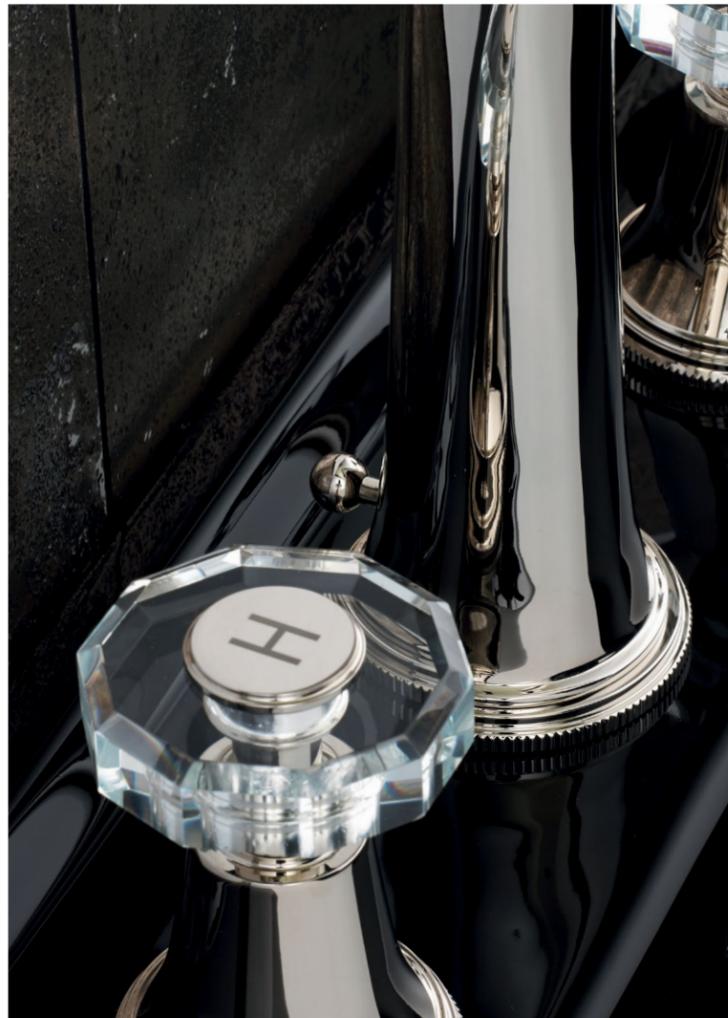

Style Moderne – [Brass] Polished Nickel with Glass Levers

Style Moderne – [Brass] Antique Gold with Gloss Black Chrome Levers

FAIRFIELD

A balanced combination of the diverse formal design influences of the Arts and Crafts and Aesthetic Movements which flourished between 1880 and 1910. The careful proportioning of the Fairfield Collection reflects the era-inspired qualities, whilst design options are enhanced by a choice of cross-top controls or levers available in crystal, wood, ceramic or metal.
